SCHOOL BUS
DRIVERS AIDED
BY PARENTS

The bus drivers of Coffee County have been given a complete physical check-up, by county health office personnel, without any cost to the driver. This is done to better insure the safety of children who ride the buses.

To The Public Generally:

1. Parents are requested to cooperate by inquiring from their child ready to meet the bus promptly; also, they can help by encouraging right conduct on the bus and at school.

2. Only pupils, teachers and other school employees are allowed to ride school buses. The driver is instructed not to allow others to ride and the public is asked to cooperate by not asking him to violate the law.

3. Parents and other interested citizens should feel free to approach the driver, the principals and other school officials about any transportation problem which involves the safety and welfare of children.

4. Uses of school buses are in accordance with the rulings of the Attorney General's Office.

The Pupil Should:

1. Have a definite place to board the bus each day.

2. Cooperate with the driver in maintaining good order, seating arrangements, boarding and leaving the bus promptly, load and unload in a group where houses are close together, keeping the bus clear of nuts, marks and scratches and be willing to walk a reasonable distance to board the bus.

3. Not visit on buses other than the one on which he is regularly transported except by permission from parent and teacher.

4. Not enter the buses except for transportation to and from school.

593 COFFEE
CHILDREN GET
WELFARE AID

The Coffee County Department of Pensions and Security was serving 593 children, including five placed in foster homes and 48 receiving social service only at the end of the year, according to Mrs. Grace M. B. B. director.

Children receiving child welfare services through the Department of Pensions and Security in Alabama at the time of a recent study numbered nearly 10,000. Pensions and Security Commissioner Alvin T. Prestwood said recently.

The study showed that about half the children were in the homes of parents and nearly 15 per cent with other relatives. More than 15 per cent were in boarding foster homes and over nine per cent in adoptive homes and nearly that number in institutions.

Agencies of the children served indicated that they range from babies to teen-agers, with nearly 54 percent being ten or under. Of the total, over 55 percent were boys, who outnumbered girls in nearly every age group.

By far the largest number of children came from broken homes. Prestwood said, indicating that for over 30 percent, parents were divorced, deserted, or separated. For over 18 percent of the children one or both parents were dead and for over 22 percent they were not married. In fact, Prestwood said, only 28.7 percent of the children had married parents who were living. Nearly two-thirds of the children served were white.

"These services to children are particularly significant in terms of prevention of delinquency, rehabilitation of families, and helping boys and girls to grow up into useful, independent citizens," Prestwood concluded.

The First Baptist Church of Elba will hold Open House next Sunday, Sept. 27, from 3 to 5 p. m. to mark the completion of the new addition, a part of which is seen in the left of the above picture. The church was organized in 1882 and now has 706 members. Rev. Murray L. Seay is pastor and Mr. Joe Frank Cole is Minister of Music and Education.

SAVINGS AND LOAN RECEIVES CHARTER HERE

Charter for the First Federal Savings and Loan Association of Coffee County has been received and a meeting of subscribers will be held Monday, Sept. 28, at the Coffee County Court House to elect permanent officers.

Subscriptions for the necessary stock was completed several weeks ago after which application was made to the Federal Home Bank, Greenboro, N. C. for charter to do business.

Temporary officers named were: Jerry Brunson, chairman; Kinney Doney, vice chairman and Lamar Palmer, Jr., secretary. Mr. Brunson for three years was associated with the Birmingham Trust National Bank and for the past three months has been undergoing savings and loan training with Birmingham Federal Savings and Loan Association.

The savings and loan association was organized here to meet the need for more homes which is increasing as Elba continues to grow.

Temporary office has been established at the National Security Life Insurance Company but a downtown office will be opened in the near future.

WEEK REMAINS BEFORE USUAL LICENSE RUSH

A week remains to avoid the usual seasonal rush for purchases of store, business and professional licenses, hunting and fishing licenses.

Probate Judge J. O. English recalled that a rush for these licenses has always begun Oct. 1 and those who come now may avoid waiting in line. License prices are the same as last year. Judge English said the new 1960 automobile and truck license tags will be available Oct. 1, a week from now, with a deadline of Nov. 15. Prices are the same as last year. The 1960 tag will be white numerals on a blue background.

STUDENTS MAY BE PART-TIME WORKERS ONLY

"The State Child Labor Law does not prevent students from earning money in part-time jobs, provided the work is restricted to activities which are harmless to health and morals," said Ralph R. Williams, Director of the Alabama Department of Industrial Relations. Monitoring, as inquiries from both employers and students increased with the opening of schools.

Limitations on hours of work in certain occupations and places of employment vary with the age of the boy or girl. The Alabama Child Labor Law sets practical and legal standards which promote better health and education, however, Williams stated, they should not cause employers to discriminate against students.

Four important documents are essential for teen-agers before starting on a new job. The birth certificate is the first requisite, usually held by the school record which should be taken to the certificate-issuing officer who will supply the intention-to-employ and physical examination blank. The next step is a physical examination. This is usually done by a county health officer or a family doctor. These documents, four in all, should be taken to the city or county school superintendent, who will either issue a work certificate or direct the job seeker to a certificate-issuing officer with delegated authority.

All jobs for both boys and girls within the age groups of 14 and 15 are legal only if performed outside school hours. Other limitations, except in farm employment and domestic service, restrict the hours and days of work.

Newspaper carriers, sellers, and auditors in the 16 to 18 year old group must secure a badge under the Alabama Child Labor Law before accepting part-time work. Other job opportunities with legal work certificates in this age group include: bus boys, janitor, camp assistants, office work, car wash and gas station attendants, greenhouse or nursery work, others in theatres, grocery stores, retail stores and apartment house janitors, library assistants, office work, fruit and vegetable packing houses, playground work, bus drivers, waiters, sales and clerical work.

Girls in the 14 and 15 year age group with legal work certificates may be employed as beauty operators, camp work, day nursery work, library assistants, office work, receptionist, restaurant work — inside only and are not permitted to dispense alcoholic beverages — retail and drug stores and as ushers and candy stand clerks in theatres.

Boys and girls in the 16 and 17 year age group have a wider field of job opportunities, but under no conditions are they permitted to work on hazardous jobs.

SECTION 5. It shall be the duty of every person engaging or continuing in the City in any business for which a privilege tax is imposed by this ordinance to keep and preserve suitable records of the gross sales, gross proceeds of sales and gross receipts, or gross receipts or sales of such business, as may be necessary to determine the amount of taxes for which he is liable under the provisions of this ordinance.

SECTION 6. The books, records and accounts mentioned in the next preceding Section shall at all reasonable time be open to examination by the City Clerk or by any person designated by him. Any person who shall fail to keep such records or refuse to permit such examination thereof, or shall fail to render any report required by Section 4 of this ordinance, or shall fail to pay the privilege or license tax levied under the provisions of this ordinance, before the same shall become delinquent, or who shall violate any other term or provision of this ordinance, shall be guilty of a misdemeanor, and upon conviction shall be fined not less than \$5.00 nor more than \$10.00 for each such offense. Each failure shall constitute a separate offense and each day during which business is done without paying any delinquent license or privilege tax levied hereunder shall constitute a separate offense.

SECTION 7. Every itinerant vendor engaged in the business of selling tangible personal property at retail within the City shall be subject to the terms of this ordinance, and before making any sales therein is required to give bond to the City in the sum of \$50.00 to be approved by the City Clerk before making any such sale, to secure the payment of any tax which may become due hereunder, and separate security shall be given for every five days in which such person may be so engaged. A failure to give such security shall be a misdemeanor, punishable as provided in Section 6 of this ordinance.

SECTION 8. This ordinance shall not be held or construed to cancel or repeal any prior ordinance of this City.

WHAT'S THE STORY ON THE NEW FORD FALCON?
Come in and we'll tell you all we know!

HOW BIG WILL THE ALL-NEW FORD FALCON BE? HOW MANY PEOPLE WILL IT CARRY? HOW ABOUT POWER?
To start with, in the New-Size Ford—the Falcon—you are but never "do without!" You get modern, fine-car styling, six-speed power and comfort, a car that's born and bred for the American road!

LET'S TALK ABOUT STYLING FIRST!
You'll be amazed by the Falcon's beauty. No "vaudeville" of older cars in this field, but sleek, European flair in beautifully proportioned style... "wide open" visibility all around... interior styling that's fresh and smart. The Falcon is Ford's way of proving a true economy car needn't suffer in looks or ride.

LET'S TALK FALCON PERFORMANCE!
The all-new six-cylinder engine's up front for greater safety and stability... will deliver up to 30 miles per gallon of regular gas... has a water-cooled engine which permits use of a water-type heater that's safer, never boils you of gas mileage. You can get an automatic transmission in the Falcon, too!

AND NOW... ABOUT THE FABULOUS FALCON EXPERIENCE RUM, U.S.A.
Topping off 3 years and 3 million miles of research and development, a fleet of new Falcons is traveling every mile of U.S. highway to prove its "20-miles-per-gallon" average... and to prove it takes to the road, you.

LET'S TALK ABOUT THE ALL-NEW FALCON'S SIX-PASSENGER SIZE!
In both 2- and 4-door models, the new Falcon will have full-width, full-depth seats for six adults. Plus room in the spacious trunk for all their luggage! And it can turn and park just as easily as most of those 4- and 5-passenger imported jobs!

COMING OCT. 27th, THE NEW-SIZE FORD Falcon.

Through the Keyhole

BY MRS. ROBERT CANNON

THE MIST was wrapping itself around the tall pines when we arrived at Ida and John Kinnery's last Saturday evening. Nontie Smith and her attractive fiancé Bob were guests around them in the den to enjoy the doctor's wonderful high-fidelity records.

Downstairs in the playroom the college set enjoyed bridge and a gay conversation while we married folks settled down

to watch the "Miss America" contest. Coffee and the hostess' fabulous brownies provided a midnight ending to an evening that started with a delicious supper for about twenty.

AT THE ABOVE mentioned affair we enjoyed talking to Tom Prescott, who told us he's enjoying a few days at home after being in school for the past few years. We thought Tom was a most confident and friendly young man and re-

membered with pleasure that "we taught him."

Betty Joyce Ellis, looking lovely in a bright silk print, told us that Cornelia Ellis was having a wonderful time in New York. And then we heard Tuesday that she had been seen on television as a candidate for a morning quiz show. We prophesied that we'll all be seeing Cornelia on evening television before long.

WE ENVY THE Toy Spurlins!

forthcoming trip to New York. They will leave Friday for a two weeks trip to that delightful place. The object of their trip, of course, is to see their grandson, Ricky, who at 6 mos. is a real charmer. They plan, incidentally, to see something of his parents, Dick and Claire Spurlin, but the young man will be master of the situation.

On the way home the Spurlins will visit in Washington and with friends in South Carolina.

Mrs. Don Cripps, pianist, and Miss Clara Powell, of Mobile, vocalist.

Vows were exchanged before an elaborate background of burlap, white and red ribbons and white standard baskets of white gladioli and fern.

The bride, given in marriage by her father, was lovely in a white-length wedding gown of white embroidered organza over tulle. Her elbow-length veil of imported illusion fell from a contour band of tulle. She carried a colonial bouquet of white carnations and white satin flowers. The bride's only ornament was a silver cross necklace, which was a gift of the groom.

Miss Glenda Hasty, of Fort Walton, was the bride's only attendant.

Kenneth Dyess, brother of the groom, served as best man.

Others were Tyson Thompson, cousin of the bride, and Patricia Greathouse, brother of the bride.

Candlelighters were Becky Morrow, cousin of the groom, and Cynthia Bass, cousin of the bride.

The bride and groom, both graduates of Troy State College, will reside in Montgomery where both are employed by the city school system.

Sixtieth Wedding Anniversary Is Observed

Mr. and Mrs. Fred W. Dyess of Elba were honored by their children with a barbecue dinner on Sunday, Sept. 13, in observance of the couple's sixtieth wedding anniversary. The event was held at Mrs. Bea Thompson's home in Elba with a beautiful dinner being served to all the guests.

Friends and relatives present were: Mr. and Mrs. Charles H. Dyess and three children; Penelope, Florida, Mr. and Mrs. John Oliver Dyess, Enterprise; Mr. and Mrs. Robert M. Branch and two children; Samson, Mr. and Mrs. Dewey Elmer, Okmulgee; Louis McDermott, New Britain; Mr. and Mrs. F. L. McDermott; Samson, Mr. and Mrs.

Miss Nona Smith was honored with several additional parties on the last few days prior to her marriage to Mr. Robert Jones last Saturday.

In Mobile, Miss Elizabeth Haas, who was Maid of Honor in the wedding, entertained with a crystal shown at her home which was attractively decorated with pale blue and white flowers to complement the Dresden blue color scheme of her living room. Sixty 16 guests were present.

On September 12, Mrs. Ross Cullen Smith entertained with a Bridesmaid's Luncheon at the Troy County Club. The luncheon covered table was centered with an elaborate arrangement of fall flowers in shades of gold and bronze, which offset a graceful china pheasant figure.

The bride presented her attendants with gifts of gold, all inscribed as befitting the occasion.

On the evening before the marriage, Mr. and Mrs. David Jones of Sylacauga honored the bride with a rehearsal party held at the Troy County Club. The tables were arranged in a horseshoe shape and decorated with three attractive arrangements of flowers.

TO REPRESENT KINSTON Miss Carolyn Ann Adams has been selected to represent Kinston in the Peanut Festival to be held in Dothan next month. Miss Adams was selected by Kinston High School.

Miss Adams is 17 years old, a Senior at Kinston, and is the daughter of Mr. and Mrs. Dewey Adams of Kinston.

Chevy's done the next best thing to having every road in America! First they threw out the front axle and put in torsion-spring independent suspension. Then they built coil rear springs into most light-duty models, variable-rate leaf springs into heavier. That made it—ride you have to feel to believe. A ride that lets you move faster to get more work done in a day.

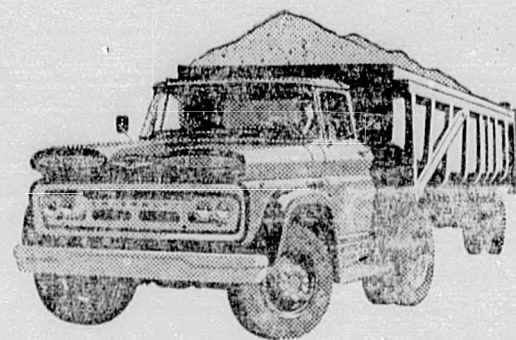

Brawner bulldozer build! They're tougher than any Chevy trucks ever made. Frames are stronger, cabs 47% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for short metal.

More comfortable cabs! Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips.

Big in the power department! With the industry's most advanced steering. With high-torque Workmaster V8 performance in heavyweights. With new accelerator or V8 power available in new L.C.P. models.

More models than ever! New 1-wheel-drive models, hand-dens and high-sided Suburban Carryalls. It's the handsomest, handiest Chevy ever to report for duty. See your dealer for the whole story, and be sure to take a ride! It's something!

Anything less is an old-fashioned truck!

The Pastor and Minister of Music and Education Are Seen Seated at Their Desks In The New Education Building!

First Baptist Church

MURRAY L. SEAY, Pastor

ELBA, ALA.

JOE FRANK COLE, Minister of Music and Education

The Lord has led our congregation in the completion of this great Church Plant, representing an investment in the Cause of Christ of a quarter of a million dollars. For weeks we have been singing "To God Be The Glory . . . Great Things He Hath Done." This truly expresses our feelings on this occasion. The building has been erected for the purpose of winning the lost to Christ, leading Christians to a closer walk with God, and the spiritual training of our children. To these purposes we dedicate it.

Murray L. Seay
Pastor

A program of Vision! Growth! Faith!

WHAT IS OUR BUILDING?

In the new unit just completed (pictured on the left above) you will find beautiful facilities for one Adult department, one Intermediate department, one Junior department, two Beginner departments, one Young Married People department, one Music Room, a Library, and complete Office Suite. The Adult Assembly is used as a Social Hall. In the unit completed 10 years ago (pictured on the right above) you will find the auditorium seating 500 people, four Nursery departments, two Primary departments, one Young People Department, one Adult department, and a kitchen. This building has been rededicated. One building not shown, a dwelling house is used for one Adult department. All these buildings are air-conditioned.

WHAT IS OUR HISTORY?

The First Baptist Church was organized in 1882 and was known as the Elba Baptist Church. Rev. Jesse M. Rowe was the first pastor and Dr. W. P. Boyd first clerk. In the history of the Church there have been only 20 pastors. Rev. Murray L. Seay has been Pastor since January 1952. The name was changed to First Baptist Church in 1950. The Lord has blessed the Church in remarkable growth. In 1958 there were 706 members with 671 enrolled in Sunday School, 144 in Training Union, 182 in Women's Missionary Union, 103 in Brotherhood, and 92 in the Chorus. The income of the Church last year was \$45,739.60.

WHAT IS OUR PROGRAM?

A comprehensive program of Bible teaching, worship, training and music is advanced each week. The program is geared to the needs of every member of the family. Our Minister of Education and Music who has come to our Church recently is planning to carry out a Program in those two fields with special attention being to the children. We believe in Missions at home and abroad. This year we will give over \$7,000 for the support of Mission causes. Locally we have had the privilege of helping to form one new Baptist Church and we hope to organize others in the future.

WHAT ARE OUR PLANS?

As we look to the future, our dreams and plans are primarily spiritual. We hope to see many souls saved, an ever increasing mission program, we hope to provide an atmosphere conducive to real worship and spiritual growth on the part of our members and friends. In continuing harmony and unity, we hope to go forward, growing in grace with a friendly atmosphere and hearts filled with warm Christian love. We depend upon our Lord for the future. It is He who has brought us thus far, and if we are to go forward, we know it must be with His help.

Here We go again...
